# Letter from the Director

**Hello Students, Parents, and Caregivers,**

Welcome to the Buffalo Dream Center School of the Arts. Thank you for being a part of our up and coming arts programs.

My name is Victoria and I am the Director at the Dream Center School of the Arts. When I was four years-old I took my first dance class and fell in love. Growing up, dance was always a part of my life and I challenged myself to learn many different kinds of dance. As I got older, I noticed there were many things I did not like about the dance world. I did not feel comfortable with many of the music and costume choices. I hated all the pressure and competition that was within the studios. It took up a lot of our family's time.

When I graduated high school, I decided to go to Australia. I attended Hillsong Bible College where I studied dance and helped with their dance studio. I realized that a dance studio could be fun and family-friendly. I then had a dream to return home to Buffalo and start my dream which has become Dream Center School of the Arts.

At Dream Center School of the Arts, we offer many different types of arts, not just dance. My main goal is to make you feel welcome, at home, like family, and comfortable with everything we do. We want you to feel comfortable with all the music and costume choices. We don't want your kids to feel negative pressure, but feel motivated to grow and excel in their talent. We want everyone to have fun!

Thank you again for choosing the Dream Center School of the arts.

Sincerely,

A handwritten signature in black ink that reads "Victoria S" with a long, sweeping flourish extending to the right.

Victoria Shurr
